DEPUTY CLERK

Motion For Emergency Injunction  
to prevent Defendant to Displace  
me AGAIN While I remain recovering  
From Left Hip Arthroplasty

Circa 4 weeks ago a memo was  
circulated to all guests at the  
Holiday Inn conveying FEMA would  
be financing the stay for all guests  
at the Holiday Inn.

Therefore action by Economic Services  
Division appears to be out of place  
in this matter.

Dave Lunderson Program Director told me  
circa 3<sup>00</sup>pm. All other guests were covered  
by ESD, but not me?

Nonetheless the fact remains ESD  
to my knowledge can not continue  
jerk me around capriciously  
without first going via the Court.  
They have not only caused me tremendous  
physical pain, in addition tremendous  
mental emotional angst.

I plead with this Honorable Court to intervene  
on my behalf. Respectfully  
Princess C Montpelier
